

BARN QUILT WORKSHOP
Pocosan Mountain Road Barn, Stanardsville, VA
May 28, 2022

A **BARN QUILT WORKSHOP** will be held on Saturday, May 28 from 10 a.m. until 3 p.m. in the Barn at 392 Pocosan Mtn. Road, Stanardsville, VA. Directions to my home will be sent to you before the workshop date.....it's a lovely drive in Greene County and you will see a lot of barn quilts along the way.

FEES: \$60 for a 1x1 - \$70 for a 2x2 - \$80 for a 3x3; \$90 for a 4x4 block. Blocks will be sanded, primed on both sides, and then sealed on the reverse side (four layers). Background color on the topside will be white unless you plan to paint your own.....in that case, we get the block to you so that you can paint your background color before the workshop.

NOTE: If you order a 4x4 be aware that it **WILL NOT fit in your car trunk OR in your SUVs OR a small truck.** It will fit in a suburban. It will fit into a truck with a 4 ft. bed.....smaller trucks will result in it leaning against the side wall.

WHAT TO BRING -

+A **HARD COPY** of a barn quilt design (designs can be found on the web and printed or you can photograph a square from your mother/grandmother's quilt and print a copy.....working from your phone just doesn't work too well.

+Masking tape - 1/2" - 1" width. Narrow is better.

+**Exterior** paint for each color in the design including the background color (if you plan to paint your own background). Be sure all of your paints are **EXTERIOR** water base and not oil base. The sample sizes at Lowe's are only interior, but they aren't really true paint. Michael's carries exterior in small sizes, but note, their "craft" paints will fade. If you are attending the workshop with a friend or family member, share your paint. © Small amounts go a LONG way.

+1" foam brushes for each color in your design, plus one extra one. (if possible buy the 1" ones with the wooden handle, not plastic.)

+Small jar with tight lid.

+ A lazy-Susan (if you have one....I will have a couple on hand)

All other items needed to complete the design will be available at the workshop.

NOTE: Registration must be received at least one week before the workshop (May 21) so that both sides of the boards can be prepared. **Workshop size is limited to 10.** Make checks payable to **Art Guild of Greene** and mail to: **Barn Quilt Workshop, P.O. Box 211, Stanardsville, VA 22973.** Workshops fill up quickly so be sure to mail your registration form before the deadline.

Four layers of sealer will be applied to your finished Barn Quilt for weather protection. For this application, you will leave the finished block at the workshop. Arrangements will be made for pick-up the following week. **OR** - you can take the block home and seal it yourself. I will give you the name of the sealer I use.....it is expensive.

If you have any questions or concerns, please don't hesitate to contact me by phone or e-mail. Directions to the Barn will be sent to you along with other information.
