

BARN QUILT WORKSHOP
Hebron Luther Church – Madison, VA
June 15, 2019

A BARN QUILT WORKSHOP will be held on Saturday, June 15, 2019 from 10 a.m. until 3 p.m. at the Hebron Lutheran Church, 899 Blankenbaker Road, Madison VA.

FEES: \$35 for a 1x1 or 2x2 block; \$45 for a 3x3; \$55 for a 4x4 block. Painted blocks will be sanded, primed on both sides, and then sealed on the reverse side (four layers). Background color on the topside will be white unless you plan to use your own paint color....in that case, we get the block to you so that you can paint your background color before the workshop. We tried something new at the last workshop that worked out very well.....a barn quilt with a natural front. The back is treated as mentioned above, but the front is left natural, varnished and ready to paint.

NOTE: If you order a 4x4 be aware that it **WILL NOT fit into your car trunk OR in 99% of the SUVs OR a small truck.** It will fit in a suburban. It will fit into a truck with a 4 ft. bed.....smaller trucks will result it leaning against the side wall.

WHAT TO BRING –

+A **hard copy** of a barn quilt design (designs can be found on the web and printed or you can photograph a square from your mother/grandmother’s quilt and print a copy).

+Masking tape – ½” – 1” width.

+**Exterior** paint for each color in the design including the background color (if you plan to paint your own background). Be sure all of your paints are EXTERIOR water base and not oil base. The sample sizes at Lowe’s are only interior. Michael’s carries exterior in small sizes. If you are attending the workshop with a friend or family member, share your paint. 😊

+1” foam brushes for each color in your design, plus one extra one. (if possible buy the 1” ones with a wooden handle, not plastic.)

+String

+Small jar with tight lid

+ A lazy-susan (if you have one....I will have a couple on hand)

All other items needed to complete the design will be available at the workshop.

NOTE: Registration must be received at least **two weeks** (June 1) before the class so that both sides of the boards can be prepared. **Class size is limited to 12.** Make checks payable to **Art Guild of Greene** and mail to: **Barn Quilt Workshop, P.O. Box 211, Stanardsville, VA 22973**

Four layers of sealer will be applied to your finished Barn Quilt for weather protection. For this application, you will leave the finished block at the workshop. Arrangements will be made for pick-up the following week **OR** you can take the block home and seal it yourself.
